Use after every learning portal update. Record pass or fail and the time.

Area	What to check	Pass or fail	Notes
Login	Single sign-on works on Chrome and Edge		
Assignments	A test user sees an assigned course		
Course launch	Video and quiz open without errors		
Progress	Progress saves and survives a refresh		
Completion	Finishing a course updates the transcript		
Certificates	A certificate can be downloaded		
Manager reports	A manager sees team completion data		
Notifications	Reminder emails are sent		
Mobile	The portal works on a phone browser		
Escalation	Capture evidence for any failure: screenshot, time, browser, steps
